

VICTORY TODAY

Copyright Nathan Tongia & Joel Phillips 2010

Verse

Hey, listen up let His truth be known
The battle was over long ago
And now our hope's in Jesus

From coast to coast we will shout it out
We. rise. in. faith. in the midst of doubt
& none could come between us

PreChorus #1

We're not ashamed
Coz we've been saved

Chorus #1

Victory today
Victory to stay
Hope is here, hope is here
Forever & always

PreChorus #2

We're not ashamed
We live by faith

Chorus #2

Victory today
So we rise in faith
Hope is here, Hope is here
Coz Jesus came to save
