

Be Free

Daniel Winney 2009

Verse 1

You light my way
When I'm wandering in the dark
Should I stumble, should I fall
It's you that lifts me up
And sets my feet on solid ground

Verse 2

Sin is broken now
And I hear salvation's call
So I'm taking up my cross
Step out and stand in faith
Together we will run this race

Bridge

Nothing in this world
Can hold me back
Nothing in this world
Can stop me from giving you my praise
I want to give you praise

Chorus

Come on, Come on Be Free!
Come on, Come on Be Free!
Release a passion that burns inside
Open my eyes
