

Only You Can

Copyright Joel Phillips 2008

Verse

Oh God above the earth so high
I want to offer up my life
Your kingdom come, is what I pray
Supply our hearts with love & faith

PreChorus

When the walls up around my heart came down
Suddenly I could see your love was all around
Grace will never leave me

Chorus

My Lord, my life
Make me new again
Like only you can

Verse2

You are the King above of all Kings
You are the reason that I sing
So help me lift my eyes to You
Christ be in everything I do
