

# The Message

Copyright Joel Phillips 2009

## Verse1.

Here's the reality  
We've been set free  
Chains that we used to have  
Are broken now  
The message that is on our lips  
Is restoration  
Captives can now be free,  
Lord we want to see, Your Glory

## Chorus.

We're gonna share the message of Christ  
We'll let His word come and change us inside  
Sing it out now, sing it out now  
We're laying all of our own lives aside  
So we can see all the God-dreams come alive  
Sing it out now, sing it out now  
We're gonna share the message

## Verse2.

With hearts that are opened up  
With expectation  
With lives that are filled with love  
Lord we're gonna see, Your Glory

## Tag.

Salvation's here!  
Let's get the word out  
We will not fear  
You'll find us singing  
  
You'll find us singing  
You'll find us singing  
Salvation's here!
