Written & Copyright Matelena Wilson 2010

## Verse1

Here I am because of You  
You took my heart and made it new  
Now all my pain and all my brokenness  
No longer lives in me.

## Verse2

You are the hope that never fails  
And in You everything prevails  
You are the love that's everlasting  
And keeps me standing on my feet

## Tag

Now each and everyday  
I'm coming back to you  
And falling back in love with you Lord  
And each and everyday, You take me as I am  
And tell me that you love me no matter what

## Verse3

You are my rock, salvation too,  
In everything I'm found in You,  
Now all I want to do is live for You  
Your promises I'll hold onto
