

FREEDOM AT THE CROSS

©2008 Joel Phillips

1.
You are the God who brings the sun rise...
Who walks with us,
And opens our eyes
Who dearly loves –
His daughters and his sons
And calls us each, by name

2.
You are the God of restoration
This proved to us - complete salvation
Upon a cross - you paid the final cost
We can live again, we can live again

Chorus

**Freedom at the cross
Jesus Christ the
Saviour of the lost
Thank you for the
Freedom at the cross
Freedom flowing for the lost**

3.
You are the God with sovereign wisdom
Your words are life
Lord help us live them
They keep us free –
Your promise guarantees
You are with us Lord
You are with us Lord
